

Sprint 1 Report

Product Name:PIXEL

date:2017/2/16

Actions to stop doing:

We stop meeting at 12:00pm each Monday because one of our teammate has class. So we change the meeting time to 10:00 am after class on Monday.

Actions to start doing:

We started collection materials for our website and do some research about other picture sharing community like Dribbble and Flickr.

Actions to keep doing:

We discuss our project on Slack and track process on Trello.
Using Github to merge the tasks we did.

Work completed:

1. Basic layout for the website.
2. User login and signup.
3. Be able to upload the pictures.
4. Be able to comment for each picture
5. Be able to delete the pictures and information

Work not completed

1. Create web profile for every new user.
2. Let user add information on their profile(name,tel,hobby).

Work completion rate: 75%
