Sprint 2 Report

Product name:Pixel

date:2017/2/16

Actions to stop doing:

None. We are satisfied with our progress.

Actions to start doing:

The team should be more accurate at estimating work tasks, since tasks were consistently under-estimated last sprint.

Actions to keep doing:

- Beautify the website layout, which is not easy to build in a short time.

Work completed:

- Be able to Sort the pictures by time
- Add comment to the picture.
- Finished user profile.
- Now you can follow people you like.
- Finished artist page which you will see all of artists with their pictures.

Not completed:

- List all of the pictures of following people.
- Thumb up function.

Work completion rate:70%
